## FROM THE EAST

Welcome to the first issue of our new Trestleboard! Our intention with this latest evolution of our Trestleboard tradition is to promote communication and collaboration between the pillar officers and the membership. Whether you receive this digitally or through the mail, we can all share in this publication and use it to its fullest potential. In a time where we cannot always meet in person, the Trestleboard will be a new space for brothers to contribute and share their studies and reflections on the craft during a time when we have had to halt many of our usual traditions. Our dear craft is a great one and it deserves to be celebrated! I hope you will all help us and let us know what you think! I have no doubt great things lie ahead of us. As we move in a new Masonic year we will continue to be challenged by the Corona Virus Pandemic. I know that whatever may come our way, we will endure and overcome by the strength of our unity and dedication to Freemasonry and Culver City-Foshay Lodge No. 467. Be well and be safe!

- WOR. JOSEPH EMDE, PM

## REFRESHMENT

One night (a long time ago in a jurisdiction far, far, away) a brother was heading home after indulging a bit too much at the festive board after his lodge meeting.

He was weaving a little across the path, steadying himself against the lamp-posts.

A concerned policeman saw him, and walked over.

"Well sir, where are we going at this time of night, eh?" he asked.

The brother replied "I, officer, am going to a lecture on Masonry!"

Bemused, the policeman asked, "And just where are you going to hear a lecture on Masonry at this time of night?"

The brother replied, "From my wife!!!"

While COVID has reduced our capacity to work, these brothers have been initiated since we reopened: Thomas McKiver (07.14.21), Kris Hatfield (07.21.21), with Micheal Mikael, Kazutoshi Shimizu, and Sergio Paredes all being initiated on the same night (09.22.21). Congrats, Brothers!

We are excited to bring the trestleboard back to our Bretheren, and all are encouraged to contribute if they would like. Artwork, knowledge, humor, anything! Corrections and contributions for future editions can be directed to [MATT@JOURDIAN.COM](mailto:MATT@JOURDIAN.COM).

## CHAPLAIN'S PRAYER

### GREAT GOD OF THE UNIVERSE

The road we travel is still rough and rugged.

Vigilance will sustain us.

Patience will keep us going.

We wait for normality to return.

We keep hope in our hearts

And the future in our minds.

May your family, friends, and neighbors be closer than before,  
and may we all come through this together. AMEN
