

# CULVER CITY-FOSHAY LODGE NO.467 F.&A.M.

**JUNE 6022**

**GRAND MASTER, STATE OF CALIFORNIA : M.W. JEFF WILKINS**

## FROM THE EAST

Hello Brothers,

June is be a quiet month for us as I am out of town - but fear not! Our Sr. Warden will make sure the bills get paid and the practices are conducted! This is a great opportunity to visit other lodges and make connections with other brothers - especially if you plan to participate in many of the trips and resources GLCA is offering! California Masonry is strong and flexing its muscles. Grand lodge is coming in October and it would be great to get a big Foshay crew up this year!

## LEVEL STEPS

When we say that we meet 'on the level' we most usually think of our differing stations in life and it is true that Masonry allows us all to meet as equals, whatever our backgrounds. However, the concept of Masonic parity should also apply to our hearts and minds. As Masons we should always have our sights set on the highest levels of thought and behaviour and in this, too, we should be 'on the level.' All lives contain drudgery and it is often difficult to remain optimistic in the face of it but there is no doubt that to do so is the mark of a good Mason.

## CHAPLAIN'S PRAYER

Great architect of the universe;  
My mind wonders, it ebbs and flows.  
Where will it take me?  
Just like time, the mind is endless.  
Sometimes we get lost within ourselves.  
Other times, thoughts and decisions  
are clear and decisive.  
The roads we travel have many pitfalls.  
The good and bad decisions may vary.  
We must learn to know ourselves,  
and not live our lives in haste.  
It is my prayer that we temper  
each thought with prudence,  
and to be just in our travels  
along life's road.

AMEN.

-Bro. Ed Calzaretto

Replied Twain, "It always has."

# THE PENTAVERATE

The Pentaverate - I watched it so you don't have to!

Netflix's latest show about secret societies is an Illuminati adjacent organization that pulls the strings and has guided humanity through every war, natural disaster, and paradigm shift for centuries. Think - The Legion of Doom that saves humanity from itself with the aesthetics of Scientology/The Catholic Church. Their Symbol - the classic triangular Eye of Providence behind the roman numeral V ! Together they look very similar to a Square & Compass which most viewers will probably miss anyhow, but they do mention us by name once or twice!

The Pentaverate currently has one season on Netflix, and is written by, and stars Mike Myers (Shagedelic, baby! Yeah!) and is VERY much his brain child. Myers plays several of the characters, almost all of which have crazy make up and break the fourth wall almost constantly. It also boasts a full complement of strong cameos ranging from Keegan Michael Key to Prince Henry & Megan Markle!

Is it worth the watch? Well - if you liked Mike Myers and are the type of person who would give him a budget and full creative license - then yes, definitely put it on in the background! You'll get some classic "So I married an Axe Murderer"-esque comedy with a modern spin. But if you are hoping for this show to scratch that secret society itch that we all get when media picks us up like this - you might find that it won't go the distance.

GRAND MASTER'S PROCLAMATION  
JUNE 2022 IS **MASONIC HOMES MONTH**  
*Crafting Leadership*

**Whereas** Masons have taken a pledge to support all brothers and their wives, widows, and children in their hour of need; and

**Whereas** for more than 100 years, the Masonic Homes of California has provided critical services to Masons and their families; and

**Whereas** Masonic Outreach Services plays a crucial role in connecting vulnerable Masons and their family members to local and immediate forms of relief; and

**Whereas** the Masonic Center for Youth and Families provides children, teens, and adults important counselling services and tools for maintaining mental health and emotional wellness; and

**Whereas** the Masonic Homes, MOS, and MCYAF have worked especially hard to provide Masons from around the state important services during the pandemic;

**As grand master, I therefore proclaim June 2022 to be Masonic Homes Month in California.**

Since 1898, California Masons have fulfilled their obligation to care for fellow members and their families through their support of the Masonic Homes. More than a century later, the fraternity remains committed to delivering on that promise by offering crucial services to those in need through retirement homes in Union City and Covina and the brand-new Pavilion at the Masonic Homes, which provides important memory care and assisted-living care in Union City; through Masonic Outreach Services throughout the state; and through MCYAF in San Francisco and Covina. This month, I call on Masons to support these important programs—and to make sure that all members are aware of the services they have access to as Masons and widows. Share the Masonic Assistance Line (888-466-3642) with members in need. Visit the Masonic Homes online to learn about the services being offered, and of course make a gift to the Masonic Homes to ensure that this proud legacy endures into the future.

Sincerely and fraternally,

Grand Master Jeffery Wilkins
